

Chamber Asks Freeway Work

Use of federal funds to complete the Harbor Freeway between 190th St. and Pacific Coast Hwy. was urged in a letter sent by the Lomita Chamber of Commerce to the Board of Supervisors.

The Chamber asked use of some of the \$1.8 million allotted for national road systems and contributing county road. Such use would help the traffic situation and create many jobs, the letter said.

The Lomita Chamber joined the Harbor Chamber in the request.

Also re-elected and to be installed Tuesday were Mrs. James Fryback, secretary, and Mrs. Ralph Robertson, treasurer.

ELKS' YOUTH DAY RITES SATURDAY

Elks' National Youth Day ceremonies will be held this Saturday in connection with the official opening of the Little League baseball season.

The program, headed by Walter Mishler and Herman Sneskin, will be held between the first and second games at the Little League ball park on Del Amo and Henrietta.

The program is part of the nation-wide observance on May 1 as "Youth Day." Since the day falls on a Thursday, the observance will be held on Saturday.

The observance is designed to show the difference between real freedom and the shows on armed might which are customary in Communist-dominated countries on May Day.

It is mandatory that the more than 1900 Elks lodges throughout the country observe the "Youth Day."

said, and a capacity attendance is expected. Tickets will be available at the door, for those not on the committee mailing list.

Baker's Furniture Features Anniversary Sale This Week

Celebrating its 10th year in Torrance and its first in its new location at 1502 Cabrillo Ave. is Baker's Furniture and TV.

Anniversary sales are planned in all departments of the store, according to owner Maurice Hattem. It features maple and modern furniture, accessories, carpets, appliances, Hi-Fi and TV sets, and all the requirements for furnishing a home.

The store offers most of the leading name brands in all of its departments. A full-time TV service department takes care of work on television and radios.

Old Customers
 Sixty per cent of the stores sales are to old customers, Hattem said, and attributed the success of the store to quality merchandise and follow-through after sales are made.

Complete decorator service and advice is available to customers, furniture is displayed in surroundings as home-like as possible, so that the buyer can get an idea of how it will look in his home. Appliances are hooked up and ready for testing by the customer.

Salesmen at the store visit at least one factory a week so

that they will be able to explain the workings and quality of merchandise on sale.

Not "Order Takers"
 "My salesmen know the products," Hattem said. "They are not 'order takers.'"

Baker's employees all are Torrance residents. Department heads include Ben Wallace, office manager; Bill Holt, appliances and TV; Wayne Dibley, carpets and furniture; and Maurice Wilson, TV service.

In addition to its day-time hours, the store is open Monday and Friday nights.

Open House Slated
 The Los Angeles County Fire Department at 404 E. Carson St., will hold open house this Saturday from 8 a.m. to 4 p.m. in observance of National Fire Service Day.
